

THE MANE NETWORK

CARF has partnered with Dr. Maryanne Senna and Massachusetts General Hospital (MGH) Hair Academic Innovative Research (HAIR) Unit to provide FREE training and education for hair salons, their personnel and hair care students about hair loss disorders.

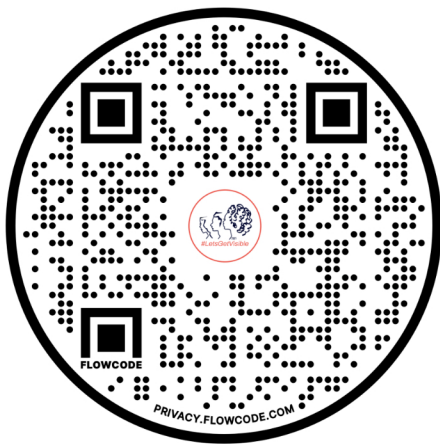

Maryanne Senna, MD
Professor of Dermatology
at Harvard Medical School

BENEFITS

1. Professional Development
2. Continuing Education
3. CARF Seal of Recognition
4. Private Networking Group
5. Building workplace culture
6. Quarterly E-Blasts

JOIN US!

CARF launched the National Scarring Alopecia Awareness Month (NSAAM) to increase education and awareness of scarring hair loss. We created The Mane Network as a way to provide scarring hair loss education, training, and support to hair salons, their personnel and hair care students.

The Mane Network Membership is FREE to hair salons, their personnel and hair care students. Contact CARF at info@carfintl.org with any questions.
